To

SIR,

R Adverting to your letter No.D.1506 Geol.149-26-4, dated 5th August 1927, directing the levy of dead rent on mining leases Nos.111 and 119 for gold issued to Mr.A. Ahmed Ali and Hajee Sir Ismail respectively and also in cases similar to the above, I have the honour to submit for the information of Government that the rents were demanded for the year 1927 from the Mysore Gold Mining Co.Ltd., in respect of the East Betarayaswami and Mysore East blocks held by them under leases Nos.118 and 144 respectively. The Superintendent of the Company in his last letter, dated 17th October 1927 (a copy of which is enclosed) has requested that the matter may be allowed to remain in abeyance until the arrival of Mr. Henry Taylor of Messrs. John Taylor & Sons Ld., which will be towards the end of November 1927. Accordingly the matter is allowed to lie over.

In the case of the dead rents demanded from the owners of Mining Leases Nos.111 and 119, there have been no response from any one, in spite of reminders issued.

I have the honour to be,
Sir,
Your most obedient servant,

P. Sampat Iyengar

Director,
Mysore Geological Department.

No.144 and M.L.No.118, I have the honour to inform you that the matter has been discussed and considered by the Board of Directors in London and I am to request you to be good enough to allow the reply to the demand to remain in abeyance until the arrival of Mr. Henry Taylor towards the end of November next, when he will communicate direct with Government.

Geo.149-26-6 5/12-11-27

Sir,

With reference to para 2 of your letter No.1577-7 dated 25th October 1927 stating that in spite of several reminders, there has been no response from the owners of mining leases Nos.111 and 119 in the matter of payment of dead rent at the rate prescribed in this Office letter No.D.1506/Geol 149-26-4 dated 5th August 1927, I am directed to state that in cases ~~where the lessees have mismanaged badly~~ they may be given a month's notice and the leases forfeited thereafter. ~~In doing so~~ Special steps should be taken to obviate public danger from unprotected excavations.

Where no work has been done for a long time or where lessees are keeping their blocks in a condition likely to cause danger to the public

I have etc.,
